

Inspired by Dance

East Cobb Quilters' Guild Challenge — 2016

Let dance inspire your 2016 guild challenge quilt. The dance that inspires your quilt can be anything from a literal interpretation to a sense of movement created by shapes, colors and/or lines.

Rules:

1. Your quilt label must indicate the name of the dance that inspired you.
2. Your quilt must measure between 30 inches and 60 inches on each side.
3. Your quilt must be a quilt; that is, it has three layers and is quilted.
4. Your quilt must have a hanging sleeve.
5. Your quilt must be made between February 28, 2015, and the guild meetings in January 2016.
6. Challenge quilts are due at the guild meetings in January 2016.
7. Only guild members who are current on their dues are eligible to participate in the challenge.

A Note About Voting

- Guild members at the Friday morning meeting in January 2016 will vote for their favorite eight quilts.
- Challenge quilts from the Thursday night meeting will be collected and included in voting on Friday morning.
- Voting will be anonymous.

Each quilt must be accompanied by a typed or printed (preferably not hand written) description of or story about the quilt – what motivated you, why you were inspired by the dance you chose. This description must be on paper and include the name of the quilt and its dimensions. One person will read the description/story for each quilt before voting takes place. The identities of the quilt makers entering the challenge will be revealed after voting is complete.

The eight quilts that receive the most votes will be entered into the AQS show that displays guild challenge quilts.
